

Chemicals Administration, Ministry of Environment

Major Policy Implementations for January 2026

1. On January 20, the Administration held the “2026 Inter-ministerial Meeting on Asbestos Hazard Management and Public Awareness,” chaired by Director General Tsai Meng-Yu. The meeting focused on the "Progress of Recovery Efforts Following Typhoon Danas."
2. On January 29, the Administration held a press conference titled “Learning from Disaster: Ministry of Environment Partners with Citizens and Tech to Accelerate Asbestos Roof Tile Removal.” Deputy Minister Hsieh Yein-Rui delivered the opening remarks, and Director General Tsai Meng-Yu shared the project achievements. The event also featured Director Hsu Jen-Tse of the Tainan City Environmental Protection Bureau, who presented "Post-disaster Environmental Governance," as well as Howard Wu , founder of Goodideas-Studio, who shared "Practical Operational Experience in Establishing a Reporting System."
